*Does this sound familiar? You're leaving the parking garage and realize you forgot to stop by the ATM. You spend the next five minutes searching through your car looking for spare change. The City of Lincoln doesn't want you to waste your time so we created the Park It Downtown card. It's the fastest and most convenient way to park downtown.*

## What is the Park It Downtown Card?

It is a prepaid, value card used each time you exit and enter the parking facilities. It eliminates the need for cash and check payments as well as speeds up the time it takes to exit the garage.

## How does it work?

Park It Downtown participants receive a 20% discount on parking. Following are the available increments and the discounted rate.
